

Middle School
Study Skills Workshop

Wednesday,
November 9, 2005

7 - 8:30pm

Heather Middle School
1419 Trillium Blvd. SE,
Mill Creek, WA

Learn

- Time management tips
- How to foster a conducive study environment at home
- How to help with math homework
- How to study for tests
- About the science curriculum

Information will also be available on how middle school study habits help prepare students for high school and, eventually, for college.

This workshop is intended to help parents/guardians help their students with learning and studying. Students are encouraged to attend!

Sponsored by: Heatherwood Middle School and Heatherwood Middle School PTA
